GUARANTY AGREEMENT

BRANCH BANKING AND TRUST COMPANY

08/26/2014

ATLANTA, GA

Dear Sirs:

As an inducement to Branch Banking and Trust Company (including its successors and assigns, "Bank") to extend credit to and to otherwise deal with PEACHTREE INVESTMENT SOLUTIONS LLC

("Borrower"), and in consideration thereof, the undersigned (each of the undersigned jointly and severally if more than one, a "Guarantor") hereby absolutely and unconditionally guarantees to Bank and its successors and assigns the due and punctual payment of any and all notes, drafts, debts, obligations and liabilities, primary or secondary (whether by way of endorsement or otherwise), of Borrower, at any time, now or hereafter, incurred with or held by Bank, together with interest, as and when the same become due and payable, whether by acceleration or otherwise, in accordance with the terms of any such notes, drafts, debts, obligations or liabilities or agreements evidencing any such indebtedness, obligation or liability including all renewals, extensions and modifications thereof. The obligation of Guarantor is a guarantee of payment and not of collection.

Guarantor is Bank's obligor for all indebtedness, obligations and liabilities of Borrower, and Bank shall also at all times have a lien on and security interest in all stocks, bonds and other securities of Guarantor at any time in Bank's possession and the same shall at Bank's option be held, administered and disposed of as collateral to any such indebtedness, obligation or liability of the Borrower, and Bank shall also at all times have the right of set-off against any deposit account of Guarantor with Bank in the same manner and to the same extent that the right of set-off may exist against the Borrower.

It is understood that any such notes, drafts, debts, obligations and liabilities may be accepted or created by or with Bank at any time and from time to time without notice to Guarantor, and Guarantor hereby expressly waives presentment, demand, protest, and notice of dishonor of any such notes, drafts, debts, obligations and liabilities or other evidences of any such indebtedness, obligation or liability.

Bank may receive and accept from time to time any securities or other property as collateral to any such notes, drafts, debts, obligations and liabilities, and may surrender, compromise, exchange and release absolutely the same or any part thereof at any time without notice to Guarantor and without in any manner affecting the obligation and liability of Guarantor hereby created. Guarantor agrees that Bank shall have no obligation to protect, perfect, secure or insure any security interests, liens or encumbrances now or hereafter held for the indebtedness, obligations and liabilities for which this Guaranty is made.

If allowed by applicable law, Guarantor hereby subordinates any and all indebtedness of Borrower now or hereafter owed to Guarantor to all indebtedness of Borrower in favor of Bank, and agrees with Bank that Guarantor shall not demand or accept any payment of principal or interest from Borrower, shall not claim any offset or other reduction of Guarantor's obligations hereunder because of any such indebtedness and shall not take any action to obtain any of the security described in and encumbered by the documents evidencing the indebtedness owed by Borrower ("Loan Documents"); provided, however, that, if Bank so requests, such indebtedness shall be collected, enforced and received by Guarantor as trustee for Bank and shall be paid over to Bank on account of the indebtedness of Borrower to Bank, but without reducing or affecting any manner the liability of Guarantor under the other provisions of this Guaranty Agreement.

This obligation and liability on the part of Guarantor shall be a primary, and not a secondary, obligation and liability, payable immediately upon demand without recourse first having been had by Bank against the Borrower or any other guarantor, person, firm or corporation, and without first resorting to any property held by Bank as collateral security; and Guarantor hereby waives the benefits of all provisions of law, including but not limited to the provisions of O.C.G.A. section 10-7-24 or its successor, for stay or delay of execution or sale of property or other satisfaction of judgment against Guarantor on account of obligation and liability hereunder until judgment be obtained therefor against the Borrower and execution thereon returned unsatisfied, or until it is shown that the Borrower has no property available for the satisfaction of the indebtedness, obligation or liability guaranteed hereby, or until any other proceedings can be had; and Guarantor hereby agrees to indemnify the Bank for all costs of collection, including but not limited to the costs of repossession, foreclosure, reasonable attorneys' fees, and court costs incurred by the Bank in the event that the Bank should first be required by Guarantor to resort to any property held by the Bank or in which the Bank has a security interest or to obtain execution or other satisfaction of a judgment against the Borrower on account of Borrower's obligation and liability for its indebtedness guaranteed hereby; and Guarantor further agrees that Guarantor is responsible for any obligation or debt, or portion thereof, of the Borrower to the Bank which has been paid by the Borrower to the Bank and which the Bank is subsequently required to return to the Borrower or a trustee for the Borrower in any bankruptcy or insolvency proceeding; and Guarantor further agrees that none of Guarantor shall have any right of subrogation, reimbursement or indemnity whatsoever, nor any right of recourse to security for the debts and obligations of the Borrower to Bank unless and until all of the debts and obligations of the Borrower to Bank have been paid in full. Guarantor hereby waives, to the extent avoidable under any provision of the Bankruptcy Code, any right arising upon payment by Guarantor of any obligation under this Guaranty to assert a claim against the bankruptcy estate of the Borrower.

In addition to the other waivers set forth elsewhere in this Guaranty, Guarantor also hereby waives and agrees not to assert or take advantage of (a) if allowed by applicable law, the defense of the statute of limitations in any action hereunder or for the collection of the indebtedness or the performance of any obligation hereby guaranteed; (b) any defense that may arise by reason of the incapacity, lack of authority, death or disability of Guarantor, Borrower, or any other party or entity, or the failure of Bank to file or enforce a claim against the estate (either in administration, bankruptcy or any other proceeding) of Borrower or any other party or entity; (c) any defense based upon the failure of Bank to give notice of the existence, creation or incurring of any new or additional indebtedness or obligation or the failure of Bank to give notice of any action or non-action on the part of any other party whomsoever, in connection with any obligation hereby guaranteed; (d) any defense based upon an election of remedies by Bank which destroys or otherwise impairs any subrogation rights of Guarantor to proceed against Borrower for reimbursement, or both; (e) any defense based upon failure of Bank to commence an action against Borrower or any other guarantor of the indebtedness guaranteed hereby; (f) any duty of the part of Bank to disclose to Guarantor any fact that it may know or hereafter know regarding Borrower; (g) acceptance or notice of acceptance of this Guaranty by Bank; (h) as stated above, notice of presentment and demand for payment of any of the indebtedness or performance of any of the obligations hereby guaranteed except as otherwise required in this Guaranty; (i) as set forth above, protest and notice of dishonor or of default to Guarantor or to any other party with respect to the indebtedness or performance of obligations hereby guaranteed; (j) except as otherwise provided herein, any and all other notices whatsoever to which Guarantor might otherwise be entitled; (k) any defense based on lack of due diligence by the Bank and the collection, protection or realization upon any collateral securing the indebtedness evidenced by the Note or any of the other Loan Documents, or both; (l) any transfer by Borrower of all or any part of the security encumbered by the Loan Documents; and (m) any other legal or equitable defenses whatsoever to which Guarantor might be entitled, to the extent permitted by law, unless such defenses are based upon the willful misconduct of the Bank.

In the event of the occurrence of a "Default" or "Event of Default" otherwise relating to the indebtedness evidenced by the Note(s) or evidenced or secured by any of the other Loan Documents or any of them, or relating to the transactions contemplated by the Loan Documents or any of them in any order, all rights powers and remedies available to Bank in such event shall be non-exclusive and cumulative of all other rights, powers and remedies provided thereunder or hereunder or by law or in equity. Accordingly, Guarantor hereby authorizes and empowers Bank upon the occurrence of Default or Event of Default under the Note(s) or Loan Documents, at its sole discretion, and, except as otherwise provided herein, without notice to Guarantor, to exercise and cause to be exercised any right or remedy which Bank may have, including, but not limited to, judicial foreclosure, non-judicial foreclosure by exercise of power of sale, acceptance of a deed or assignment in lieu of foreclosure, appointment of a receiver to collect rents and profits, exercise of remedies against personal property, or enforcement of any assignment of leases, rents, profits, accounts and certificates of deposit, or any other security, whether real, personal or tangible or intangible. At any public or private sale of any security or collateral for any indebtedness or any part hereof guaranteed hereby, whether by foreclosure or otherwise, Bank, may in its discretion, purchase all of any part of such security or collateral so sold or offered for sale for its own account and may apply against the amount bid therefor the balance due it pursuant to the Note(s) or any of the other Loan Documents without prejudice to Bank's remedies hereunder against Guarantor for deficiencies, if allowed by applicable law. If the indebtedness guaranteed hereby is partially paid by reason of the election of Bank, its successors, endorsees or assigns, to pursue any of the remedies available to Bank or if such indebtedness is otherwise partially paid, then this Guaranty shall nevertheless remain in full force and effect, and Guarantor shall remain liable for the entire balance of the indebtedness guaranteed hereby, even though any rights which Guarantor may have against Borrower may be destroyed or diminished by the exercise of any such remedy.
